

a Tradecorp Company

Maintenance Specialist

O.G.T is an Irish company with over 15 years' experience in producing and distributing products based on Ascophyllum Nodosum Seaweed for the Amenity, Crop Nutrition & Animal Feed sectors. In 2014, OGT joined Tradecorp International, one of the main players in the Plant Nutrition Market globally. In 2019 we became a part of Rovensa, a business group with multiple companies that share their synergies for one purpose: feeding the planet through healthy and safe solutions enabling a well-balanced and sustainable agriculture.

As part of a growing Production and Maintenance team at OGT Ireland Ltd, we are currently seeking applications for the position of **'Maintenance Specialist'** based at our factory in Kilcar to commence mid-August 2020. This is a full-time permanent position.

The successful candidate will be responsible for the repair, maintenance and upkeep of our plant and equipment, dealing with day to day operations and out of hours emergency repairs in a 24/7 production facility, organising spares and overseeing onsite contractors. The successful candidate will also work on the design and expansion of existing and future projects. A time served electrotechnical background with experience in high volume production processes, ability to operate to strict timelines and production demands is essential. A working knowledge of plc's and Scada is an advantage. The Maintenance Specialist will also be part of a local safety team who advises and supports our safety awareness campaigns while contributing to the ongoing growth and development of the department and company as a whole.

Ideally the candidate should:

- As a minimum have a time served qualification in electrics, mechanics or similar.
- Have excellent interpersonal and communication skills.
- Have the ability to work both individually and as part of a team.
- IT literate with a good working knowledge of Microsoft Office Applications.
- Be organised, rigorous, autonomous, hard-working, and motivated.
- Have at least 3 years experience in a similar role.

Apply now:
